All relevant Safety Media Health & Safety courses have been RoSPA approved.

\* Please note that these courses have not been approved by RoSPA as RoSPA do not have access to the required expert knowledge in these subjects or the type of activity requires specialist additional training (such as Driving).

Note from RoSPA: “ The following e-Learning courses only provide awareness education. Face to face training would be needed in addition in order to complete the all round skills and knowledge to be able to carry this forward practically in your organisation.”

» Manual Handling » Risk Assessment » Working at Height » Confined Spaces » Asbestos » COSHH » Fire Wardens » DSE
